

# Heat Shrink Tubing

pro-POWER

## Specifications:

|                               |                |
|-------------------------------|----------------|
| Coating                       | : Polyurethane |
| Primary insulation material   | : Polyurethane |
| Primary insulation colour     | : Transparent  |
| Maximum operating temperature | : 120°C        |
| Melting temperature           | : 480°C        |
| Approval bodies               | : BS4520       |

## Specification Table

| Wire Size (SWG) | Current Rating (A) | Conductor Area CSA (mm <sup>2</sup> ) | External Diameter | Conductor Make-up | Reel Length (m) | Weight (g) | Part Number |
|-----------------|--------------------|---------------------------------------|-------------------|-------------------|-----------------|------------|-------------|
| 35              | 0.048              | 0.03                                  | 0.2               | 1/0.2             | 1,850           | 500        | ECW0.2      |
| 34              | 0.061              | 0.039                                 | 0.224             | 1/0.224           | 1,430           |            | ECW0.224    |
| 33              | 0.076              | 0.05                                  | 0.25              | 1/0.25            | 1,120           | 440        | ECW0.25     |
| 30              | 0.12               | 0.08                                  | 0.315             | 1/0.315           | 720             | 500        | ECW0.315    |
| 27              | 0.194              | 0.14                                  | 0.4               | 1/0.4             | 450             |            | ECW0.4      |
| 25              | 0.304              | 0.2                                   | 0.5               | 1/0.5             | 290             | 460        | ECW0.5      |
| 24              | 0.381              | 0.25                                  | 0.56              | 1/0.56            | 230             | 500        | ECW0.56     |
| 22              | 0.613              | 0.4                                   | 0.71              | 1/0.71            | 140             |            | ECW0.71     |
| 21              | 0.779              | 0.52                                  | 0.8               | 1/0.8             | 125             |            | ECW0.80     |
| 19              | 1.21               | 0.66                                  | 1                 | 1/1               | 70              |            | ECW1.0      |
| 18              | 1.91               | 0.82                                  | 1.25              | 1/1.25            | 47              |            | ECW1.25     |
| 16              | 2.74               | 2                                     | 1.5               | 1/1.5             | 32              |            | ECW1.5      |
